- Public comment
- Committee discussion

**3. Local Referenda**

*The Committee will review issues relating to local referenda.*

- Introduction: Rep. Scott L Wyatt, study sponsor
- Public comment
- Committee discussion

**4. Public Water Protection**

*The Committee will study whether to require counties and municipalities to adopt an ordinance protecting its public drinking water sources (H.B. 140). (Master Study Item #169)*

- Introduction: Rep. Sylvia S. Andersen, study sponsor
- Public comment
- Committee discussion

**5. Appointment and Removal of Certain Officials**

*The Committee will study whether to require the advice and consent of the municipal council or legislative body with respect to the removal of department heads, officers and employees, commissions, boards, committees, and planning commission members (H.B. 457). (Master Study Item #163)*

- Introduction: Rep. Christopher N. Herrod, study sponsor
- Public comment
- Committee discussion

**6. Eminent Domain Remedies**

*The Committee will study taking of property from owners through eminent domain, when the diminished value of the remaining property is not considered damage deserving of compensation because, although the taken property is needed for a large project, nothing is actually built on the taken property, to look at potential discriminatory practices to the property owner, who exercises no control over whether something is built on the taken property or not (H.B. 187). (Master Study Item #165)*

- Introduction: Rep. Roger E. Barrus, study sponsor
- Public comment
- Committee discussion

**7. Public Land Sales**

*The Committee will study whether to require voter approval if a municipality intends to dispose of a parcel of real property with a value of \$1,000,000 or more (H.B. 109). (Master Study Item #168)*

- Introduction: Rep. Neil A. Hansen, study sponsor
- Public comment
- Committee discussion

**Noon 8. Other Items / Adjourn**
